

Attention: Senator Mae Flexer and Representative Dan Fox
re: S.B. No. 184
re: H.B. No. 5262

Dear Senator Flexer and Representative Fox:

I am writing express my strong support for Absentee Ballot voting and urge the Connecticut Legislature to extend Absentee Ballot voting through November 8, 2022 to allow Connecticut voters to vote safely during the ongoing Covid pandemic and beyond.

Connecticut voters should be able to exercise their right to vote without fear of illness to themselves or family members.

Thank you for your support.

Respectfully,
